\*Cape Vert Import Plug in and Storage charges are paid directly to port authorities.

Import Free Time – Number of days, counting from the day after the container is discharged from the vessel, in which there is no additional charge applicable.

Export Free Time – Number of days prior to cut off (day of cut off included), counting from the day the container is gated in terminal, in which there is no additional charge applicable.

Demurrage – Additional charge for exceeding the Free Time at the port's terminal from the day of gate in/discharge to day of loading/gate out including both days.

Detention – Additional charge applied to customers that, after picking up the equipment from terminal/depot keep it in their possession exceeding Free Time. Counted from the day of pick up until the day of delivery, both days included.

Storage – Cost originated by the container parked at port from the day of gate in/discharge to day of loading/gate out including both days.

Plug in – Reefer electricity costs for plug in at terminal the day of gate in/discharge to day of loading/gate out including both days.

OOG and IMO Cargo – NO storage free time in Europe - Extra surcharge of 35€/teu/ day.
